AED Plus™

The AED Plus is the First and Only Full-Rescue AED that:

- Supports the complete chain of survival and provides Real CPR Help™ for rate and depth of chest compressions.
- Helps rescuer with All SCA victims, even those for which no shock is advised.
- Offers the convenience of a one-piece electrode for fast accurate placement that lasts four years
- Is powered by 10 Lithium camera batteries

For pediatric victims, the AED Plus uses a pediatric algorithm that reduces the energy to appropriate pediatric levels.
